

2017  
SR22

\$531,900  
Base weight 1030 kg | Useful Load 603 kg  
Cabin payload with 3 hr. trip fuel and 45 min. reserve 437 kg

## STANDARD FEATURES

## AIRFRAME &amp; POWERPLANT

- Continental IO-550-N 310 HP Engine
- Cirrus Airframe Parachute System® (CAPS®)
- Airbag Seatbelts (Front Seats)
- Dual Side Yoke
- 3-Blade Propeller
- Four USB Power Ports
- High Performance Brakes
- Advanced Wheel Fairings
- Tubeless Tires
- Surface Illumination Lights
- Spectra™ Wingtip Lighting
- Single Movement Power Lever
- 60/40 Flex Seating™ Seats up to 5
- Standard Leather Interior
- Tinted Windows
- 2 Year Spinner-to-Tail Warranty

## AVIONICS

- Cirrus Perspective+™ by Garmin® Cockpit
- Synthetic Vision Technology (SVT™)
- 10" (25.4 cm) Screens
- GMA 350c All-Digital Bluetooth® Audio Panel
- QWERTY Keyboard Controller
- Dual WAAS GPS/Comm/Nav Radios
- Engine & Fuel Monitoring
- Garmin Pilot<sup>1</sup> – 1 year subscription included
- ADS-B Out Transponder
- 406 MHz ELT
- GFC 700 Autopilot including
  - Electronic Stability & Protection (ESP)
  - Dual ADAHRS
  - Hypoxia Check/Automated Descent Mode
  - Blue Level Button
  - Autopilot Stall Protection

## TRAINING

- 3 Day Transition Training Package

# SR22 PACKAGES

## CIRRUS SELECT \$37,900

Add cruising comfort for both the pilot and the passengers with the **Yaw Damper**. It will practically eliminate the need for rudder input in those extended climbs and turns, allowing for a smoother ride. Your peace of mind also increases with **Enhanced Vision System (EVS)** and the **Digital 4-in-1 Standby Instrument**. EVS creates an image of what is outside the aircraft by using infrared technology to turn night into day. The digital standby instrument provides backup attitude, altitude, airspeed and skid/slip information in a format familiar to today's glass cockpit aviators. *Weight Δ: 2.7 kg*

## ALERTS, AWARENESS & ASSISTANCE \$38,900

Always know where other aircraft are located with **Active Traffic Information** that alerts you of all aircraft with an active transponder within your proximity. **eTAWS<sup>2</sup>** is a TAWS-B terrain warning system with greater predictive precision information based on your flight path, and if terrain is ahead, gives you early warning aural alerts. **SurfaceWatch<sup>TM2</sup>** monitors your aircraft's position on the ground providing enhanced situational awareness through aural and visual alerts to the pilot throughout the airport terminal environment. *Weight Δ: 6.8 kg*

## DIGITAL ADVANTAGE \$31,900

Upgrade to **12" (30.5 cm) screens** for tremendous situational awareness and 35% more screen real estate over the standard 10" screens. Always know where you are on approach or on the airport itself with **ChartView** (geo-referenced Jeppesen published electronic charts) and one year of navigation data subscriptions. **Garmin Flight Stream<sup>1</sup>** allows you to connect your mobile device to your built-in avionics panel. *Weight Δ: 1.4 kg*

## CERTIFIED FLIGHT INTO KNOWN ICE \$49,900

Increase your flying flexibility and capability with the **Cirrus Known Ice Protection System**. Not an STC or an afterthought, this TKS-based system was uniquely engineered to include innovative features such as **dual windshield sprayers** that ensure landing visibility, **dual TKS fluid tanks with automatic tank switching** and **three TKS flow rate options** to cover every condition. More impressive is the full integration with the Cirrus Perspective cockpit providing ready access to **TKS fluid duration and range information** and all **System Operating Parameters**. Finally, this package also guarantees your aircraft is ready for colder weather flying and maximized engine life with a **Tanis Engine Pre-Heater**. *Weight Δ: 28.6 kg*

## PRESTIGE, COMFORT & CONVENIENCE \$34,900

Your aircraft will take you many places; make it look even better at your home airport with the Prestige, Comfort & Convenience Package. Adds **leather bolstered seats, UV windows, two-tone silver over white paint, polished spinner, handles and steps, remote keyless entry and interior/exterior ambient convenience lighting**.

### CARBON APPEARANCE UPGRADE \$28,900<sup>3</sup>

Inspired by the unmistakable style of the most legendary sports cars, the Carbon Appearance premium upgrade utilizes a new palette of accent colors that delivers a stunning tarmac presence. Interior details such as jet black vents, carbon fiber instrument panel lobes and two-tone premium leather bolstered seats complete this exhilarating look.

### PLATINUM APPEARANCE UPGRADE \$28,900<sup>3</sup>

A true sense of traditional, elegant and luxurious style is captured in the Platinum Appearance premium upgrade. Fluid lines and a distinguished collection of earthy exterior colors highlight this desirable option. Nickel vents, a painted spinner, and solid color premium leather bolstered seats provide the perfect finishing touches that complement this rich appearance upgrade.

### RHODIUM APPEARANCE UPGRADE \$28,900<sup>3</sup>

Timeless and sophisticated, the Rhodium Appearance premium upgrade defines modern luxury with iconic simplicity. Make your statement with a striking yet subtle exterior in one of three stunning new metallic hues. Nickel vents, a painted spinner, and solid color premium leather bolstered seats provide the perfect finishing touches that complement this rich new addition to Cirrus style.

# GTS

The GTS is truly the SR22 flagship. Combine all the packages for even greater value: **Cirrus Select; Alerts, Awareness & Assistance; Digital Advantage; Certified Flight into Known Ice; Prestige, Comfort & Convenience; Carbon/Platinum/Rhodium Upgrade** and **authentic GTS badging**. GTS is the luxury, technology and performance standard by which all other aircraft are measured.

**GTS** *Weight: 1069 kg* \_\_\_\_\_ **\$746,900**

**GTS without Ice Protection** *Weight: 1065 kg* \_\_\_\_\_ **\$723,900**

(Air Conditioning replaces Certified Flight Into Known Ice)

## ADDITIONAL OPTIONS

### AIR CONDITIONING \$26,900

Stay cool with this factory installed Air Conditioning System.  
*Weight Δ: 24.9 kg*

### CIRRUS GLOBAL CONNECT \$15,900<sup>2</sup>

Worldwide weather, satellite phone and text messaging through Iridium Communications, fully integrated for use with your cabin headphones, means you're always within reach.  
*Weight Δ: 2.7 kg*

### YAW DAMPER \$14,900

Practically eliminates the need for the rudder in extended climbs and turns, allowing for a smoother ride for everyone on board as the annoying bumps are reduced. Also included in the Cirrus Select Package.  
*Weight Δ: 1.8 kg*

### BUILT-IN OXYGEN SYSTEM \$10,900

Give yourself the flexibility to fly to wherever you need to be. The SR22 service ceiling allows you to fly to 17,500 ft. Take advantage of the higher altitudes to get over weather, terrain or increase your ground speed. The 77ft<sup>3</sup> capacity factory installed system will provide plenty of oxygen for all occupants for normal flight durations.  
*Weight Δ: 8.2 kg*

### HARTZELL LIGHTWEIGHT COMPOSITE PROP \$12,900

Significantly increase your SR22's useful load and add ramp presence with the three-blade composite propeller.  
*Weight Δ: - 5.4 kg*

### LIGHTNING DETECTION \$12,900

Enhance weather awareness with instantaneous lightning information for all types of convective activity.  
*Weight Δ: 2.7 kg*

### DME \$12,900

*Weight Δ: 1.8 kg*

### ADF \$8,900

*Weight Δ: 4.1 kg*

### TANIS ENGINE PRE-HEATER \$1,490

Guarantee your aircraft is ready for colder weather flying and maximize your engine life. Also included in the Certified Flight Into Known Ice package.  
*Weight Δ: 0.9 kg*

## THE INDIVIDUALIZED ART OF THE POSSIBLE

Cirrus owners already have an unparalleled appreciation for quality and performance. It's the reason Cirrus continues to be the world's best-selling airplane in its class. Now, Xi takes this one step further through individualization - by making you an integral part of the design team for your dream airplane.

A unique experience worthy of every flight you will make in your Cirrus, you will develop a personal working relationship with the Xi Team, working one-on-one to tailor your plane to your exact specifications and preferences for materials, colors, designs and more. With Xi, you define the art of the possible.
